I. Teleconference with the Examiner

In a teleconference with the Examiner on February 6, 2004, the Examiner agreed that he had overlooked certain limitations present in the original set of claims. As a result, the Examiner had mistakenly denied entry of the proposed amendments because he thought the proposed amendment would raise new issues that would require further consideration and/or search. The Examiner requested the undersigned attorney to submit this request to reconsider his advisory action so the Examiner may consider the arguments presented in the response submitted on January 8, 2004.

Based on the foregoing, Applicants respectfully requests the Examiner to enter the proposed amendments and consider the arguments, which were both presented in the response submitted on January 8, 2004.

U.S. Pat. App. No. 09/490,553

II. Conclusion

Should the Examiner believe that a telephone interview would help advance the prosecution of this case, the Examiner is requested to contact the undersigned attorney.

Respectfully submitted,
